

# Ot Azoy! *This is the way ...*

To speak, read  
and write  
Yiddish in a week!

(yes you can!)

Sunday 1 - Friday 6 August 2010

## Yiddish is not just for scholars!

If you are between the ages of 16 and 92 and curious about Ashkenazi Jewish heritage and culture - then the **JMI Yiddish language and culture crash course** is exactly for people like you!

## For complete beginners to advanced Yiddish students

One week spent in the company of superb Yiddish teachers **Helen Beer** (UCL) **Sonia Pinkusowitz** (Belguim) **Heather Valencia** (Scotland) and Yiddish film buff **Barry Davis** will touch your soul - the way no other week can.

You can also join KlezFest the following week for Eastern European Jewish music, song and dance (pto for details) – to give yourself a great fortnight's holiday in 'Yiddishland'.

Ot Azoy!: 6 days 9.30am – 6.30pm, £235; Student rate £135; (Scholarships available)
